

## Lens supports for SD, HD and Cine Style lenses.

Lens support 401-32 for RED zoom 18-85.

Lens support DSLR Tele 401-34

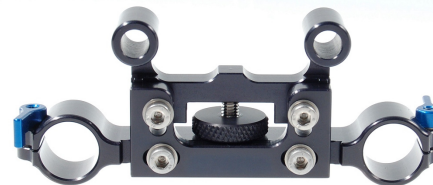

Lens support Universal Photo 401-33

Supports for 15 mm rod diameter.

Supports for 19 mm rod diameter.

Adaptor 401-17, adjustable

Adaptor 401-10, fixed position

For use of the lens supports with 15 mm clamps on bridge plates with 19 mm rods, we recommend the use of the universal adaptor 401-17. For lens supports with height adjustment, also the adaptor 401-10 is compatible.
